

# Medama Super Shield

## Job Aid (Daily Use)

### Overview

The purpose of this document is to provide quick-reference procedures for **DAILY** cleaning with the Sanitis Medama Super Shield product. It has been proven that daily use of the product cuts waxing and stripping requirements by up to 60% and can reduce the need for burnishing by 50% or more.

### Learning Objectives

The Learning Objectives of this job aid are to:

- ✚ Provide quick reference, recommended best practices for daily cleaning of various flooring and surface types.
- ✚ Share recommended materials for daily cleaning activities
- ✚ This job aid is intended for staff and technicians that are responsible for daily floor/ surface cleaning, product trainers and staff supervisors.

### Daily Cleaning Activities

1. Fill your autoscrubber, side-by-side, or mop bucket with 1 ounce of Medama Super Shield per gallon of cold water. Clean floor using your Medama specialty pads or your standard pads and procedures.
2. Refer to table below for surface application specifications
3. Visibly inspect flooring weekly for swirl marks, scuffs and embedded stains. Check areas where sanitizers or other chemicals are housed.
4. Daily cleaning turnaround time is approx. 15 minutes for 320 sq. ft.

Type of Surface	Super Shield oz./gal. of water	Squirts per 20 sq. ft.	Daily Maintenance Application
NON-COATED LVT FLOORS OR WAX-FREE FLOORS	1 oz.	2	Regular or Medama specialty pad
RUBBER FLOORS AND NORA FLOORS (uncoated)	1 oz.	2	8500 grit diamond pad
EPOXY, POLYURETHANE, OR OTHER PERMANENTLY COATED FLOORS	1 oz.	2	Gorilla pad or Medama Specialty pad
MARBLE, LIMESTONE, TERRAZO (not dry burnished)	1 oz.	2	Mop or Medama specialty pad
CARPET	8 oz.	N/A	Extractor, large brush
STAINLESS STEEL	Undiluted	As needed	Magic Eraser pad, then wipe with damp cloth and buff dry
